

**AN ACHIEVABLE DREAM
ATHLETIC STUDENT/PARENT PARTICIPATION CONTRACT**

**Achievable Dream
ACADEMIES**

An Achievable Dream’s fundamental goal is high academic achievement for all of our students while preparing our students for post-secondary education or employment. Student-athletes will not be an exception. An Achievable Dream will work diligently to assist our students to be successful both on the playing field and in the classroom while expecting the same level of dedication from the student-athlete in the classroom as on the playing field. To ensure that this is successful, An Achievable Dream will follow the following athletic policy for student participation:

1. Students in grades 9-12 will maintain a cumulative 2.5 GPA and will not fall below a semester average of 2.0 (2.0 semester average applies to all student athletes in grades 6-12).
2. **Students will be expected to incorporate the character traits instilled at An Achievable Dream both on and off the playing field (to include the classroom) as well as the values of sportsmanship outlined through the Virginia High School League Sportsmanship Code. Unsportsmanlike conduct may result in the removal from the athletic team.**
3. **Progress reports to include academic and behavioral updates will be submitted by teachers and administrators. Poor progress reports may result in the removal from the athletic team.**
4. Appeals to the An Achievable Dream Athletic Policy will be submitted to the athletic director. All appeals will be heard by the Athletic Committee which includes the following individuals: An Achievable Dream Executive Director, Director of Counseling and Student Services, An Achievable Dream Middle and High School Principal (or designee) and the athletic director. Additional representatives may be asked to participate in specific committee meetings.

“I understand that I must adhere to the An Achievable Dream Athletic Participation Contract to maintain athletic eligibility. Failure to do so may result in removal from an athletic team.”
